

Bitesize Interactive Coaching Sessions

What:

Find the hidden opportunities in your sales funnel to accelerate your business growth

Why:

The sales funnel is the backbone of any business metrics. By defining and populating the sales funnel for your business, you can identify and quantify macro opportunities for growth to give direction to your teams.

How:

Using our proven template we will guide you through defining the stages a customer goes through to find, purchase and then repurchase from you.

Populating the stages with relevant metrics is key so we will help you determine where to source the numbers to populate the funnel.

These will be captured into our sales funnel template and shared with you for further use and distribution after the session.

Who:

Business owners, leaders and teams.

Commitment:

2 hrs of your time & £295 + VAT per attendee.
